About automatic translation

This website is translated into English, Chinese, Korean, and French using a private automatic translation service. Due to machine translation by an automatic translation system, the translation is not always accurate. Please be aware of this before using it as it may differ from the original content of the Japanese page before translation.

what is "Kikinasse AI Kumamoto"?

- This is a system in which "AI" answers 24 hours a day, 365 days a year to answer questions about raising children under school just by registering as a LINE friend.
- All support information for municipalities in the prefecture can be obtained.
- A function that allows you to search for shops (child care cheering groups) and public facilities that support child care from location information has also started operation. To Kumamoto where everyone can raise children with peace of mind!
- The individual questioner is not identified, but the data of the question is accumulated, so the voice of the user can be reflected in municipal measures!
